

Riley's at Los Rios Wedding Packages

All wedding packages come with the dedication and attention of Devon and Shelli Riley, planners of weddings, hoedowns and special events for over 15 years. Our experience in organizing and hosting group activities in a historical setting will help insure your special day is a fantastic celebration - one to be remembered by your guests for decades to come.

Set in the middle of an historic heirloom apple orchard, this site is nestled against the backdrop of Wilshire Peak and surrounded by open meadows and beautiful views of the valley below.
